CÓRDOBA SPORTS ACADEMY

Córdoba Sports Academy is a comprehensive educational center that supports guys and young people through all the key stages of their development. Its goal is to nurture the individual talent of each student-athlete while promoting their personal, academic, and social growth in a safe, welcoming, and stimulating environment.

HIGH-PERFORMANCE FOOTBALL PROGRAM

CSA offers one sport: football. We have expert staff, all professionally trained and currently dedicated to teaching and developing young talent.

We have **licensed technicians trained to the highest standards**, with national and international experience in training young players. We implement a holistic work plan, always focusing on the player as a person/player.

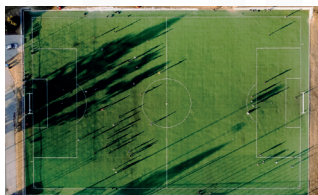

ACADEMIC PROGRAMS

Our approach combines classes in well-equipped classrooms with complementary activities such as cultural gatherings and study visits, ensuring close monitoring of each student's progress and preparing them with a solid foundation to continue their higher education or **personal and professional development.**

THE RESIDENCE

Córdoba Sports Academy has a residence designed as a safe and organized space that promotes coexistence and makes the most of academic time.

With all spaces integrated into the same complex. Life in the residence is complemented by its **own sports facilities.**
